

# Mohamed Yasser

## Data Scientist

**Phone:** 01099887766

**Email:** mohamed\_ds@example.com

**Address:** Alexandria, Egypt

**Date of Birth:** 1997-09-22

**Gender:** Male

## Summary

Data scientist with experience in machine learning, data analysis, and building predictive models using Python and R.

## Skills

Python, R, Machine Learning

## Certificates

- IBM Data Science Professional Certificate

## Training

- Machine Learning Specialization - Coursera

## Interests

Artificial Intelligence, Big Data Analytics

## Experience

**Data Analyst** - SmartData Solutions (Alexandria)

*2021-04-01 to 2022-01-01*

Analyzed large datasets, created visualizations using Power BI, and built statistical models to support business decisions.

**Machine Learning Intern** - AI Egypt (Cairo)

*2022-03-01 to 2022-09-01*

Developed and evaluated predictive models, worked with natural language processing, and optimized algorithms for real-time predictions.

## Education

**Alexandria University** - Faculty of Science

Major: Data Science | GPA: 3.8 | Level: Bachelor

Date: 2020-07-01 | Location: Alexandria
