

Mariam Nasser

AI Engineer

seeker14@example.com | 01011223344 | Suez, Egypt

[CV Link](#)

Summary

AI engineer with expertise in developing machine learning models and natural language processing systems, proficient in Python and TensorFlow.

Education

Bachelor of Artificial Intelligence

07/2021

Faculty of Computers and Artificial Intelligence, Suez Canal University, Suez

GPA: 3.85

Experience

AI Engineer

09/2022 – 10/2024

SmartAI Labs, Suez

- Designed and deployed machine learning models for predictive analytics.
- Developed NLP systems for text classification and optimized algorithms.

Machine Learning Intern

05/2021 – 08/2022

DataVision Technologies, Cairo

- Assisted in building and training machine learning models using Python and TensorFlow.
- Contributed to data preprocessing pipelines.

Skills

- Python, TensorFlow, NLP, Machine Learning

Certificates

- DeepLearning.AI Machine Learning Specialization
- Google Cloud Professional Machine Learning Engineer

Training

- Natural Language Processing with TensorFlow
- AI for Everyone

Interests

- Artificial Intelligence
- Natural Language Processing
