Emily Johnson

Data Scientist

Summary

Data scientist with expertise in machine learning and big data analytics.

Skills

Patient Care, Medical Terminology, Financial Modeling

Experience

2014–2018 **Data Analyst**, *TechData Inc.*, New York
Analyzed datasets to provide business insights and built predictive models.

2018–Present **Senior Data Scientist**, *InnoTech*, New York
Led ML projects and optimized algorithms for efficiency.

Education

2013 **Master in Statistics**, *Columbia University*, New York, GPA: 4.0
Faculty of Science

Certificates

Coursera Machine Learning

Training

Python for Data Science
Big Data Hadoop

Interests

AI Ethics, Predictive Analytics

New York, USA
