Leia Skywalker

Address: 6th of October City, Egypt   **Mobile**: +20 100 100 55100   **Email**: leia.skywalker@email.com
LinkedIn: linkedin.com/in/leia-skywalker   **Portfolio**: Github
Military Service: Completed (2021-2023)

Professional Summary

Motivated junior Fullstack (.NET) Developer with 1 year of experience in fullstack projects. Proficient in C#, ASP.NET, SQL Server, and front-end technologies, with hands-on experience in developing and testing scalable web applications. Collaborative, detail-oriented, and eager to contribute technical expertise and creativity to dynamic software development teams, with background in mentoring and supporting junior staff.

Post-Graduate Education / Education

March – August 2025
Postgraduate Diploma – Software Development Track (.NET)
Information Technology Institute (ITI), New Capital, Egypt
- **Modules**: C#, ASP.NET, SQL Server, Entity Framework, Web APIs, MVC, JavaScript, HTML/CSS
- **Capstone Project**: Developed a web-based inventory management system using ASP.NET MVC and SQL Server.

July 2024
Bachelor of Computer Science - Helwan University – Cairo, Egypt
Department: AI & Machine Learning   **GPA**: 3.2
- **Graduation Project**: Urban Women's Wellness Hub Portal — a web-based application integrating biophilic design data visualization and user-centric dashboards.

Professional Experience

August 2023 – 2024
.NET Developer Intern - ITWorx, Alexandria Office, Egypt
- Assisted in maintaining and enhancing internal web applications developed with ASP.NET.
- Designed and tested SQL Server queries and stored procedures for data-driven components.
- Contributed to debugging and resolving front-end and back-end issues.

Oct 2024 – Present
Junior Designer - TillyWare, Remote (Saudi Based)
- Delivered interactive presentations and prototypes demonstrating functional and aesthetic design of systems.
- Collaborated with multidisciplinary teams on client projects requiring digital solutions.

Mar 2020 – Sep 2023
Part-Time Call Center Agent - Teleperformance, New Cairo, Egypt

- Improved communication and time management skills while handling customer inquiries in a fast-paced environment.

Internships

Software Development Intern
ArchiVision, Cairo
⬜ Summer 2022
- Supported senior developers in testing and documenting modules written in C# and ASP.NET.
- Helped build mockups and validate UI components for property management applications.

Courses & Certifications

- ASP.NET Core Web API Development – Udemy ⬜ 2025
  - SQL Server Essentials – Coursera ⬜ 2024
  - C# Fundamentals for Beginners – Microsoft Learn ⬜ 2024
  - Git & Version Control – Codecademy ⬜ 2024
  - Object-Oriented Programming with C# – ITI ⬜ 2023

Projects

Inventory Management Web Application (Capstone)
Tools: C#, ASP.NET MVC, SQL Server, Entity Framework
Description: Developed a full-stack inventory management system for small businesses with role-based access and reporting.
- Created secure user authentication and role management workflows using ASP.NET Identity.
- Designed and implemented CRUD operations with SQL Server and Entity Framework.
- Integrated data visualization dashboards for inventory and sales reports.
- Deployed the application locally and prepared CI/CD-ready pipelines.

Student Portal Prototype (Github)
⬜ 2024
Tools: ASP.NET Core, Bootstrap, JavaScript, SQL Server
Description: Built a responsive web portal for managing student schedules, announcements, and communication between students and faculty.
- Designed and developed a mobile-first front-end with Bootstrap.
- Implemented RESTful endpoints for dynamic content and messaging.
- Conducted usability testing and improved accessibility compliance.

• Delivered a fully documented prototype showcased to faculty reviewers.

Technical Skills
- **Languages** & **Frameworks**: C#, ASP.NET MVC, .NET Core, JavaScript, HTML5, CSS3
- **Databases**: SQL Server, Entity Framework, LINQ
- **Tools**: Visual Studio, Git/GitHub, Azure DevOps, Postman
- **Concepts**: OOP, MVC, REST APIs, Unit Testing

-Design:

Activities & Volunteering
Volunteer - Resala Charity Organization, Fayoum, Egypt
2023 – Present
- Supported digital outreach campaigns and donation drives.

Scout Member Saint Peter Youth Group for Development, Cairo, Egypt
2022 – Present
- Coordinated mentorship and youth development activities.
